

Circulatory Formula

Good Herbs Circulatory Formula is made with pure, unaltered, chemical-free natural herbs that provide circulatory health support. Maintaining a healthy circulatory system is essential for nutrient transportation and blood circulation. Circulatory Formula contains a proprietary herbal blend of organic or wild-crafted herbs that support a healthy circulatory system, including artery and memory function, and mental alertness.

BENEFITS OF CIRCULATORY FORMULA

This is a very helpful formula for many conditions. It contains Chickweed, Flax, Ginkgo, Gotu Kola, Stoneroot, Linden Flower and Holy Basil. Each of these herbs have a strong influence on the brain. When the brain is not functioning properly, nothing else in the body can function properly. The brain sends messages to every part of the body telling it how and when to function. Whenever there is a break or inability to do this, the body will suffer the consequences.

Circulatory formula has a unique ability act as an oral chelator; it will help the body clean out the arteries. Arterial "build-up" and result from calcium, cholesterol and other substances that plaque onto the arteries.

Each herb in this formula was selected for these properties:

- Chickweed** (*Stellaria media*) - will begin to soften hardened artery walls.
- Flax** (*Linum usitatissimum*) - coats cholesterol in the bloodstream to keep it from clinging to artery walls
- Ginkgo** (*Ginkgo biloba*) - helps restore blood flow to the brain and also helps remove heavy metals
- Gotu Kola** (*Centlla asiatica*) - helps to improve memory and mental function, also increases circulation to the head
- Stoneroot** (*Collinsonia canadensis*) - relaxes stressed veins, arteries and heart muscles and dissolves hardened calcification throughout the body
- Linden Flower** - helps lower blood pressure when it is caused by hardening of the arteries
- Holy Basil** - contains organic copper which is necessary for iron absorption

Application:

- Circulation support, especially to the brain/head
- Support artery walls which helps blood flow from the heart.
- Promotes and supports arteries and brain tissue
- improves circulation in eyes or ears (gently rub in externally around them)
- Promotes natural oral chelation
